SIR,

With reference to your letter No. 2632-33/C.R.B. dated 28th February 1928 in the matter of recognition of the B.A. Degree of the National University, Madras, for purposes of recruitment to the public services in the State, I have the honor to state that I have not seen the syllabus of the National University of Adyar, but there are two B.A's of that University employed in High Schools in the Department and though their standard of attainment is slightly lower than that of B.A'S of the Mysore and Madras Universities, their work is fairly satisfactory. I am of opinion that as a general rule for purposes of recruitment to the Education Department, the B.A. of Adyar University may be taken as equivalent to the I year B.A. (hereafter Intermediate in Arts) of the Mysore University.
